1. The indicated allowability of claims 12-13 is withdrawn in view of the rejection under USC 251.
2. The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.

The new declaration filed on 10/27/04 states that the error is "the failure of the patent to include a claim having the features of" which the features are merely a copy of new claim 12. This is not specific enough to describe the error. As stated in MPEP 1414 (c) "any error in the claims must be identified by reference to the specific claims and the specific claim language wherein the error lies".

3. Claims 12 and 13 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

4. Claims 12 and 13 allowable as discussed in action mailed on 8/27/04.
